Wood Bright Product Usage

Weathered Wood Restorer

BRODA®

Product Overview

Broda Wood Bright is an oxalic acid wood brightener designed to restore silver/grey wood fibers and remove dirt, grime, tannin, rust, and fungi stains from wood surfaces. This liquid concentrate brightens and rejuvenates the natural beauty of exterior wood. When used correctly, Wood Bright will not harm wood fibers, grass, or most plants. It is recommended for surface preparation before applying wood finishes and stains and serves as a neutralizer and brightener for all wood types.

Characteristics

- Appearance: **clear liquid**
